Welcome

If there are any members of your Area's leadership who are not currently receiving the Area Memo, please send their names and email address to jabel@somd.org.

(NEW) Welcome to New SOMD HQ Personnel

Ben President, Sports Director

As Zach Cintron moves to the Sr. Director High School Unified Sports position, we are excited to announce a new Sports Director who will be joining our team: Ben President. Ben will officially be joining our team on August 30th. Ben has a great sports background as he graduated from Hampton University in Hampton, VA with a Bachelor of Science in Kinesiology, as well as a Masters of Arts in Sport Administration from Belmont University in Nashville, TN. He has served as a basketball coach and has overseen basketball camps over the past six years at various locations and most recently served as the Director of Athletics and Head of Fitness at Fernwood Cove in Harrison, ME.

We'll be sure to make the introductions to each of you through virtual outlets and in-person opportunities as the Fall Season approaches. Currently, Ben will assume the oversight of the following sports (as noted later within this memo):

- Bowling (10 pin)
- Cycling
- Kayaking
- Snowshoeing
- Swimming
- Locally Popular Sports: Figure Skating, Sailing, Short Track Speed Skating, Duckpin Bowling

Brian Anderson, AmeriCorps Metro Programs Coordinator

Brian joined our team on Monday, 8/16 and will lead efforts with Baltimore City Schools, specifically through the Adapted Physical Education sports program, and Baltimore City Recreation and Parks. Brian is an alumnus of our great partner school, Salisbury University, where he received his BA in Communications and International Relations, and his MA in Conflict Analysis and Dispute Resolution. Let's hope he doesn't need to use too many of the skills learned in his Master's program during his time with Special Olympics Maryland!

Brooke Jenkins, AmeriCorps Eastern Shore Coordinator

Brooke will be joining our team in the coming weeks through our partnership with the Salisbury University ShoreCorps AmeriCorps program. Brooke is finishing up her degree in Exercise Science at Salisbury University and will put that to good use working with our community programs of Kent County, Upper Shore and Lower Shore.

We are excited to welcome Ben, Brian, and Brooke to our team! Please give them a warm SOMD welcome when you see them at events, trainings, and competitions.

(NEW) Summer Games 2022 Date Update

Reminder that the **2022 Summer Games** dates have been agreed upon with Towson University. The Summer Games will occur on the dates of **June 17-19, 2022**.

This is a little later than a typical year. We have been working with Towson University to make this change due to the dates of the USA Games from June 5-12, 2022. Please make note of the change. *(This is reflected in the Sports Calendar.)*

(NEW) GMS and Form Submission Updates

Thank you to everyone who joined us for the Vaccination Reporting Webinar held on August 18 (following the Area Director call). Here are a few updates from that session:

- The slide deck and links to the recording are available on the "GMS Resources" section of the SOMD Coach Resource Page (https://www.somd.org/coach/coach-resources/gms_resources/)
- The slide summarizing the naming conventions for various submissions (included in the slide deck from the session) is attached to this Area Memo as a handy reference tool. Please be sure to follow these naming standards.
- As mentioned during the session, we have secured some part-time assistance to help Dottie Rush as we have a heavier than typical number of medical/volunteer app submissions (even heavier than when we aren't having a world-wide pandemic) as well as the introduction of two new certifications for most participants (CDW and Vax Verification). Starting earlier this week a familiar face, Tammy Sunderland (our former Administrative Receptionist), began working part-time helping Dottie by checking/updating addresses and several other data points. Welcome Back Tammy!!
- You will notice some adjustments to the names that you have given to some medicals and volunteer applications uploaded to your Area's folder on the "K:\ drive". Specifically, once Tammy has verified/updated the addresses and other data elements from a form she is adding a "_T" at the end of the file name. This lets Dottie know that she has handled her portion of that form. She is also adding a "_X" to the names of forms for which she was unable to locate a record in GMS.

(NEW) Finance Updates

REMINDER - Budget worksheets are due September 6th. If you need any assistance please reach out to Darlene.

BANK DEPOSIT SLIPS – if you are in need of more deposit slips for the M&T area bank account, please reach out to Maureen. She is going to be placing an order soon.

UPDATE – The accounting software conversion is moving along. We are very excited about the new software as it will allow us to access our information more quickly for better decision making. As with any new system, there will be some process changes. No worries, the finance team will provide instructions and trainings to everyone. Our goal is to go live Nov 1st.

If you have any questions about this update, please reach out to Joanne.

MinuteClinic Discounted Medicals

Special Olympics and MinuteClinic have renewed their partnership for discounted medicals for Special Olympics Athletes. If you use MinuteClinic to update your Athlete Medical form, bring the attached voucher **AND** Special Olympics Medical form to receive a discounted price of \$44.00.

To find a MinuteClinic near you, please follow this link: <https://www.cvs.com/minuteclinic/clinic-locator/>
 Note: the discount ONLY applies to a sports physical for Special Olympics Participation.

Super Plunge Registration is OPEN!

The hot weather has me thinking of the beach...in January! We are looking forward to being back at Sandy Point State Park for the 2022 Polar Bear Plunge! Super Plunge Registration is open. Reminder that Local Programs can recruit Unified Super Plunge Teams! Made up of a Special Olympics Maryland athlete from their local program and a coach, volunteer, family member, program leader or other ‘friend of the program,’ each Unified Team must raise a combined \$15,000. Local Programs that recruit unified teams will receive 70% net revenue of their team’s fundraising.

All Plunge related events will be pushed back 1 week from prior years due to additional week added to NFL schedule.

Super Plunge will begin morning of Friday 1/28 and run through Saturday morning 1/29.

Go to PlungeMD.com and click on the Super Plunge link to learn more. If someone is interested they can fill out the pre-registration on the site and their information will be sent to Sharon, who will provide them with a registration code or they can email Sharon directly. sperfetti@somed.org
