This 90 Day Fitness Challenge is designed to encourage athletes to create a healthier lifestyle by meeting their **physical activity**, **nutrition**, and **hydration** goals for 90 days. Deadline for Submission of Missing Forms Adjusted for Fall Sports Festival and Soccer

For a variety of reasons, we will be adjusting the deadline for an Area to submit any forms that were received from training program participants (prior to the person starting their participation) but had not yet been submitted to SOMD HQ. **The adjusted deadline will now be Tuesday, September 19, 2023.** (It had previously been Sept 11.)

As a reminder, this “missing forms” deadline *does not in any manner imply that it is acceptable for an individual to begin participating in a Special Olympics training program without having already provided all the necessary forms/certifications for their role in that program.* It is simply a recognition that an Area may already have the forms in hand but has not yet submitted them to HQ following the standard submission process.

In addition, both 2023 Fall Sports Festival and 2023 Soccer are both now open in GMS for Areas to:

- **Enter competitors into their events** and add their scores
- **Enter competitors onto teams** for their sports (e.g., tennis, distance running)
 - *Note: as has been the case for many years, SOMD will assign competitors to teams for the sports of Flag Football and Soccer. This will be based on the team rosters submitted to Melissa Anger. Areas must enter any Flag Football or Soccer Individual Skills competitors into their events and provide their entry score.*
- **Adjust the role of any individual** to the correct one for that competition (e.g., to Unified® partner or sport volunteer, etc.)
 - *Note: Anyone who an Area indicates is a coach but has not earned or maintained the necessary SONA Sport Certification will be changed by SOMD to either a Sport Volunteer or Volunteer (whichever is the highest role for which they have met all necessary requirements)*
- **Delete any member in their delegation** who will not be attending the Fall Sports Festival or Soccer Championship (*all forms for these deleted individuals must still be provided to SOMD HQ even though they are not attending the state competition*)

(NEW) SOMD Stakeholder Survey

PLEASE SHARE WITH YOUR ATHLETES AND FAMILIES

As Special Olympics Maryland builds our updated strategic plan for our organization, your thoughts and feedback are very valuable.

Please use the link below to take a brief survey to provide feedback on your experience participating as an Athlete, Unified Teammate, Volunteer, or Family Member with Special Olympics Maryland and your Area Program. The survey should take approximately 5-7 minutes to complete.

Participation is anonymous, but you can provide contact information at the end of the survey if you want to help continue to grow our programs in your community and throughout the state.

Link to Survey: <https://www.surveymonkey.com/r/SStakeholder>

If you have any questions, please email SOMD Vice President, Local Program Development, Jeff Abel (jabel@somd.org).

This survey will close on Friday, September 30, 2023!

Uniform Design Reminder

As programs start to design and order uniforms for the fall and winter seasons, please remember that all uniform designs must be approved by Jeff (jabel@somd.org) before ordering to ensure compliance with brand guidelines. Please send Jeff any uniform artwork/logos before placing your order.

Reminder: This is for logo/artwork design only. Jeff is not checking uniform/garment compliance with sport standards.

Area Program Sport & Activity Information Form

To more effectively capture the many programs and activities taking place in the community, we have put together a Training Program Information Form.

This form will help our state office stay more organized with up-to-date information on what programs are happening, where they're happening, and when they are happening.

Please submit 1 form for each sport/activity from your program using the link below:

<https://wkf.ms/3Kqg0Zp>

To avoid duplicate submissions, Coaches, Sport Volunteers, and Sport Coordinators, please work with your Area Leadership on submitting this form as they may have done so already. We ask that this is submitted by the registration deadline during each sport season.

If you have any questions, please contact Jeff Abel (jabel@somd.org).

CSOA Course Offered Live and In-Person at SOMD HQ (Saturday, September 30)

We're very pleased to announce the return of Coaching Special Olympics Athletes (CSOA) as a live, in-person course. These course, offered free of charge, will serve to renew any existing Coach Sport Certification for 3 years. It will also elevate any existing non-coaching volunteer to Assist Coach status for all sports.

Also, as you no doubt know, *CSOA is a required course for ALL coaches (no coach will earn a sport certification or have an existing certification renewed/extended unless they have completed CSOA once; only exception is for coaches who work exclusively with Unified sports, in which case they must complete the online Coaching Unified Sports (CUS) course).*

We must have a minimum of 7 registrants signed up at least 2 days in advance of each course due to the heavily "discussion-focused" nature of these courses. There will be a cap of 25 registrants per session. As of this memo, there are already 3 registrants for the September 30th session.

Registration is required at least 2 business days in advance of the course so we can be sure we have a sufficient number to hold each class and to have an adequate number of packets and refreshments available.

Coaching Special Olympics Athletes (CSOA)

Saturday, September 30, 9:00am – 1:00pm

To register, please complete the following online registration survey:

Area Program Fundraiser Info Form

As we discussed in our Area Director meeting and on Monday's call, we'd like to get a better idea of the many fundraisers taking place around the state in support of Special Olympics Maryland. This will also help us advertise your events while also consolidating state office requests for credit card machines, Classy Pages, and more.

[Moving forward, please fill out this form when you are planning a fundraiser.](#)

Area Directors- Please send Jeff 1 email address that will receive a confirmation email when a fundraiser is submitted for your local program (thanks to those who already have...you'll receive an activation email from Monday.com)

(UPDATED) Finance Corner

Fun Fact – Did you know....

- Chalk is fine-textured limestone composed found almost everywhere in the world
- The term chalk originates from the days when horse tracks didn't have computerized screens or tickers and the odds had to be written and updated on a chalkboard
- Chalk removes grease stains
- Chalk also stops ants in their tracks, so when you line your field, you are protected from the ants!

BUDGET 2024 – Thank you to everyone for submitting their 2024 budgets. If you have not done so, please submit your budget thru MARTUS. It takes time for Darlene and I to review them all and then pull them together, so your support is so appreciated.
