

The Winner

Special Olympics Maryland, St. Mary's County

Winter Games: Snow much fun!

After 3 days of varying conditions, from spring to winter, our St. Mary's athletes are triumphant once again. Our success should be attributed to our outstanding coaches, partners and athletes. Tom Emery, our local dry-land training coach, who is a former ski instructor from the mid-west, led our local training sessions to increase our athletes' endurance and fitness. We also want to thank the Boone Family from Leonardtown as a first year addition to our ski and snowshoe training program, getting our athletes ready. Tom worked with our newest bi-skier, Talea Ingmire and her brother, Taylor Ingmire, to achieve 2 great gold medal runs. The Two-Top adapted program at Whitetail and Tom helped greatly in the success of the Ingmire team. Our veteran mono-skier, Kayla Woolridge, is once again the fastest skier in the novice event and made 2 clean runs. She is looking forward to the intermediate course next year.

Coach Bret Bucci worked with a new skier this year, Tasha Ingmire, in her novice event. Tasha made strides in her success during these Games by completing 2 good runs in the novice course. We are very proud of her. Our thanks to Bret for all of his patience with our beginners over the years. Coach Steve Rinaldo and Brian Tierney trained with our novice skiers, Andrea Brown (2 golds) and Justin Fowler (2 golds). Their progress will help to move these 2 skiers to the intermediate events next year. Our partner and coach, Lucas Garner, paired with Phyllis White, Kegan Zimmerman, Jason Swift and Joshua Fondren went a little higher on the mountain with a more challenging run. Phyllis competed with a large heat for Int. Giant Slalom. She did her best and placed 5th. In her Unified Team event with partner Sharon Fondren, she

missed a gate and received a participation ribbon. Jason Swift, an athlete who is soon moving from St. Mary's, held his own in Int. Giant Slalom with a 5th place. He was triumphant in the Unified event with partner Lilly Emley (who struggled with being sick during the weekend) and finished the race for the gold. Kegan Zimmerman won 3rd in Int Giant Slalom and then skied like a champion in his Int Slalom race for a 2nd. Joshua Fondren was in the Int. groupings and placed 5th and 3rd in his races. The team of coaches/partners Annah and Marc Rinaldo set out for the Games with the advanced athletes, Larry Mills, Thomas Smith, Jimmy Hawkins, Justin Thompson, Joey Owens and partner Courtney Bucci, and came back down winning 3 golds, 3 silvers, and 2 bronze medals and 2 fourth place ribbons. Our ski team is all around awesome. St. Mary's also sponsored 6 snowshoe athletes for the weekend's events. See page 2 for their stories.

Snowshoers Rock!

Monday's competition for our snowshoe athletes put them in the golden light along with the skiers. Michael Nahrgang, Melody Chase, and Linda Higgs stood on the top of the podium to get their gold medals. Melody and Michael performed extremely well. Silver medals went to Cassidy Stein and Liam Maupin, competing in their first Winter Games, and Michelle Johnson. What an impressive first day for our snowshoe athletes. On day two, the snowshoers were ready to go for the gold again. Michael Nahrgang, Cassidy Stein and Liam Maupin showed their stuff and stood on top of the podium once again and not far behind came Linda Higgs and Melody Chase with silvers and Michelle Johnson with a 5th place ribbon. Our snowshoe relay team of Michael Nahrgang and Liam Maupin along with partners, Brian Hartz and Marqui Zimmerman placed 2nd in the 4x100 relay. Our team of coach Don Bewick, parents Ray Nahrgang and Jackie Fowler worked tirelessly behind the scenes to make our 2014 Winter Games a huge success for our athletes!

Swim has started!

The 2014 swim season is among us. Coaches Lynne, Pam, and Kourtney are already looking ahead to competitions as training for the St. Mary's swim team takes way.

Swim has taken on many new athletes in the beginner hour. These swimmers are learning the basic skills so that they may one day be a part of St. Mary's swim team. These skills include blowing bubbles, putting your face in the water, big arm circles for the freestyle stroke, and kicking.

As we are excited to have new athletes come to swim, we are very ecstatic to have returning swimmers! These swimmers are working on improving their skills, strokes, and timings.

Thank you to all swimmers who have signed up this season!

5 Kilometer • 10-MILER • Kids Fun Run

Looking for Volunteers to help on the day of the event OR Athletes and Family members to participate in the race.

Proceeds benefit Special Olympics in the Tri-County Area.

if you can help at all.

Training at the MOG by Karen Wathen

St. Mary's County Special Olympics has partnered with The Medically Oriented Gym (M.O.G.) at Gateau Physical Therapy & Sports Medicine to train 19 athletes in their state-of-the-art facility for the upcoming 2014 Special Olympics USA Games. Exercise Physiologist, Keri Ramey, assisted groups of athletes over a short period of time to become adept in the use of exercise machines for their respective training needs according to their sport. The athletes then are able to work out at the M.O.G. with a chaperone or coach who has also been trained on the machines. Ms. Ramey has continued to oversee the training and provides additional assistance to them.

"It has been a pleasure working with these athletes. They are giving it their all during our workout sessions together. They all have different goals to reach and it feels good to be a part of that," said Ms. Ramey. The M.O.G. offers a full range of exercise options for all people. Each member receives an initial assessment from the exercise physiologist who then provides them with an individualized exercise program. Assessments are done every 90 days thereafter. Their mission is to deliver a level of service that the member never expected, every day. They are committed to assist all people in obtaining a healthy and fit lifestyle, and have a variety of programs to meet everyone's needs.

The athletes representing St. Mary's competing in individual sports during the 2014 USA Games are: Russell Bucci (bocce); Mary Herbert (bowling); Rachel Hicks (bowling); Amanda Lowe (cycling); April Towler (golf); Tyeshia Holt (track); Khadisha Young (track); Jason Swift (track); and Matt Dobson (track). St. Mary's Special Olympics Flag Football team will also be represented within Team Maryland by athletes:

Larry Mills; Corey Woodland; Avery Long; Anthony Cyrus; Sam Huffman; Kegan Zimmerman; Shaun Ridley; Thomas Smith; Brandon Chan; and Durrell Scott. In addition to this wonderful line-up of athletes, St. Mary's County also has a large group of adult volunteers attending the 2014 USA Games: John Gallagher (bocce coach); Bill Lowe (golf coach); Jeff Hagen, Sr. (track coach); Wil Ridley (flag football coach); Don Bewick (flag football coach); Lynne Baker (aquatics coach); Kourtney Baker (assistant family coordinator); Ann Marie Jones (Bocce volunteer); Jason Zimmerman (volunteer) and Mary Lu Bucci (team manager). These volunteers will be supporting Team Maryland during the upcoming training season as well as at the June Games.

Coach Jeff Hagen reported that "the track athletes are going to be entered into the 4x100 with athletes from other counties and we want to make sure St. Mary's County shines and promotes the entire team's capabilities. That is what the opportunity of using this gym will provide to us." Additionally, Coach Bill Lowe noted that with the generosity of the M.O.G, "the athletes will be performing at the top of their game leading into the event. Team Maryland will be well represented." St. Mary's County Special Olympics is extremely grateful for the resources which The Medically Oriented Gym at Gateau Physical Therapy & Sports Medicine has been able to provide to these amazing athletes during their preparation for the 2014 Special Olympics USA Games. A special thanks to the owner, Bonnie Gateau, for her overwhelming support of Special Olympics. The Medically Oriented Gym at Gateau Physical Therapy & Sports Medicine is located at 23123 Camden Way, California, MD 20619. For more information about the gym and GPT please call [301 866-5444](tel:3018665444).
